ABOUT BOOTS TO BUSINESS REBOOT

Boots to Business Reboot is a two-step training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Step one is the Introduction to Entrepreneurship course eligible to Veterans of all eras, service members (including members of the National Guard and Reserve) and their spouses. This course is instructed by SBA and its partners, who are skilled business advisors.

Step two is the follow-on Foundations of Entrepreneurship course instructed by a consortium of professors and skilled business advisors from the SBA Network. Please email boot-to-business@sba.gov if you've already attended Boots to Business and wish to sign-up.

Note: All SBA programs and services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance. Contact: the Boots to Business team at 202-205-8381 or email boots-to-business@sba.gov.
