MEMORANDUM

TO: Post Commanders (via Adjutant)
County Commanders (via Adjutant)
Department Officers
Department Executive Committeemen
Past Department Commanders

FROM: John D. Baker, Department Adjutant

SUBJECT: MILITARY BRANCH BANDS

It is the policy of the Military Branches (Army, Navy, Air Force, Marines, and Coast Guard) that only one branch have a band in a parade at one time. It takes a lot of time, effort, and paperwork, to override this policy. The Army Band will be marching in our Convention Parade (June 9, 2018). Since this is our 100th Convention, the counties/posts have been asked to try to get additional bands for the parade. Please do not book another Branch Band. You may have a Unit marching, but not another band.

Please contact me if you have any questions.
