September 2019

The following period applies to continuous service since starting the job thru February 28, 2020.

At a meeting held December 10, 2016 in Trenton, the Department Executive Committee approved the recommendation of the Department Americanism Committee to create a stand alone lifetime achievement award which was previously included in the NJ Law Enforcement Officer and Firefighter of the Year Award.

This individual award will applied to any member of a First Responder Unit who is a well-rounded professional member that has exceeded above and beyond the duty requirements of their position, exemplifies the virtues of professionalism and dedication and demonstrated a distinct pattern of community service to their community, state or nation above and beyond assigned duty requirements. The Dept. Americanism Committee concurs with the National American Legion that such presentations help increase public respect and appreciation for the members of the first responders' professions.
