

COVID-19 Update

Effective September 4, 2020, all licensees with retail consumption privileges may offer indoor service limited to 25% of their indoor capacity. With limited exceptions, face coverings are required by owners, employees and patrons. Customers must be seated to consume food or beverages. Social distancing must be observed. For important details see, Executive Order 183 and DOH Health and Safety Standards for Indoor Dining

Consumption licensees may continue to offer service in outdoor areas provided they comply with the Governor's Executive Orders and NJ DOH Covid 19 Protocols for Food or Beverage Service in Outdoor Areas NJDOH Executive Directive 20-014.

Licensees that fail to comply with Executive Orders will be subject to ABC enforcement action.

Report violations to local police or ABC at 866-713-8392

Effective immediately, with limited exceptions, individuals in outdoor public areas must wear face covers. Individuals in licensed outdoor areas at bars, restaurants, breweries, wineries, or distilleries must wear face covers except when eating or drinking. Customers picking up takeout orders or using restrooms or otherwise inside the premises must wear face covers. Licensees must provide face covers and gloves to all food service personnel..

Outdoor areas include any open air space that either (1) has no roof or cover or (2) a fixed roof or temporary/seasonal covering/awning, with at least two open sides that would comprise over 50% of the total wall space if the space were fully enclosed. Executive Order 163.
