OCTOBER 2020

The following applies to the March 1, 2020 to February 28, 2021 time period only.

At a meeting held December 10, 2016 in Trenton, the Department Executive Committee approved the recommendation of the Department Americanism Committee to consolidate the Department Americanism Post Awards from four awards (Dept. Community Service, Americanism, Combined Activities and the All Around Americanism Post Awards) to two Post awards (Dept. Community Service and Dept. Americanism Awards) and re-define the requirements for submissions for better judging and the possible future submission to National.

Department Community Service Post Award:

For this award, the Post selects one of their most outstanding community service projects that had members of their Post actively working in their community during the period mentioned above. This qualification could also relate to any disaster affecting the community at large. The community service project can be a joint endeavor project with the Sons of the American Legion and/or American Legion Auxiliary.

Each competing Post shall submit a written report covering the project/event during the period mentioned with the following: Project Name, Brief Description; Time Period of Project/Event; Number of Post Members Involved and their Names; If applicable, Legion Family Members Involved and their Names; Number of Service Hours Given; Amount of Money Spent (if any); Description of Donations (if any) given out and the Number of People who Benefitted from the Project. This report must be dated and signed by the Post Commander or the Post Adjutant, along with their letter explaining why the Post should be considered for this award. Documented evidence can include newspaper and/or web-based articles, recommendation and thank you letters, Facebook excerpts and photos. A monetary donation can be part of the project but cannot be the entire project.

To qualify for this award, the submission would be the Post's most outstanding all-around Americanism activities in the community during the period mentioned.

Each competing Post shall submit documented evidence such as newspaper articles, web-based articles, Facebook excerpts, event programs and photos. Recommendation letters from the community and/or thank you letters will also be accepted for documented evidence.
