OVER

7. The following standards, established by the Department Safety Committee, are to be used as a guide by the judges grading an Essay:

Understanding & coverage of the subject matter.....	20%
Grammar.....	20%
Spelling and punctuation.....	20%
Neatness.....	15%
Originality.....	25%

EXAMPLE ON METHOD OF COUNTING THE WORDS CONTAINED IN AN ESSAY:

Every year Safety Essays are forwarded to Department Headquarters for/ judging in the Department Contest when some of these essays/ should have been eliminated at the post level because of/ the number of words they contained. These essays, which contain/ too few or too many words, will be counted at/ the Department level and will be disqualified. This is very/ unfortunate for it limits the number of essays entered from/ your county and also prevents another child's essay from being/ entered.

Please note the manner in which these paragraphs have/ been counted and do likewise on the post and county/ levels as it is very important to the children./

(The above paragraphs only contain 109 words--please note that each essay must contain no less than 300 nor more than 450 words.)

At a meeting held on August 18, 2007 in Trenton, the Department Executive Committee approved the recommendation of the Department Safety Committee to make the following award changes:

- 2nd place.....\$175.00 Check
- 3rd place.....\$115.00 Check

We recommend and encourage the Posts and Counties to make appropriate awards to their local winners and that the county winners receive their awards during the County Convention or Annual Meeting.

Please continue to make The American Legion, Department of New Jersey Safety Essay Contest one of the outstanding Legion programs for our school children. All that is required to accomplish our goal is your cooperation.

IMPORTANT INFORMATION FOLLOWING:

Please advise the school or faculty member to whom the essays should be forwarded when completed. Many chair people fail to do this and the school then only has the address of the Department, which is on this bulletin, and they forward them to Department. Make sure you leave instructions as to the name and address of the person who is to receive the completed essays.
