Comrades I would like to start off by saying thank you for all your generous donations in support of our Department projects in the past. There are many needs for our Veterans at the various facilities throughout New Jersey. There are also needs in our communities and collectively Our Legion Family rises to address these needs.

Our American Legion Family (The American Legion, The Sons of The American Legion, and The American Legion Auxiliary) continue to work towards improving the quality of life for our veterans, children, and our communities. Our Auxiliary and Sons complement our shared missions. They continue to support and assist us in all the great work our Legion does every day. As an American Legion Family, we will continue to work together in supporting our collective projects.

The American Legion Department of New Jersey Project goal this year is \$122,000 and contains the following:

- \$26,000 for Veterans Haven North to replace Carpet in the four computer Labs, which are high traffic areas with carpet tiles. The current carpet is in desperate need of replacement.
- \$16,000 for the Vineland Memorial Home to provide new furnishings in the Ranch, Hanger, and Beach rooms.
- \$30,000 as the initial commitment to the Department Affordable Veteran Housing Project this year. This project continues to secure locations around New Jersey following the model used in Hoboken at Post 107.
- \$30,000 towards our Department Strategic Initiatives which include: Veteran Suicide Awareness; Veterans Assistance Fund; and 501c3 Legion Family Fund just to name a few.
- \$10,000 donation to the 2022-2023 American Legion Auxiliary Department of New Jersey Department Project which includes acquiring a service dog for a veteran in need.
- \$10,000 donation to the 2022-2023 Sons of The American Legion Detachment of New Jersey Project which includes purchasing six outdoor tables for Veterans Haven North.

Your contributions are greatly appreciated. 100% of every dollar donated goes directly to the project with no administrative or other costs tied to the project. Every dollar has a significant impact on the quality of life for our Veterans and our communities. Please consider supporting our Department project and make checks payable to: The American Legion Department of New Jersey at the above address, Attn: Department Project.

For God and Country!

Steven Fisher
Commander
American Legion Department of New Jersey
